

# Why the EJEPL?

The Eastern Junior Elite Prospects League prepares young student athletes for Junior, Prep School, NCAA, ACHA, and CHF Hockey with carefully planned events and guidance of exciting hockey from ages 9 to 18U. The League serves as a supplement to your current contractual local National Bound Leagues. Many EHL, CHC, LIHL, NJYHL, DVHL, and CBHL owners have teams in the EJEPL.

The EJEPL is dedicated to 100% fair/ politics free administration and exciting action. The EJEPL will be entering its 12th year with over (320) teams in (15) States
