2. 60th Anniversary of Centennial Lake Little League

Pat announced that this is the 60th year of CLLL being in existence as a Little League. Pat has been here for 28 of those years. Pat thanked everyone in attendance for their help and support to make CLLL a long standing part of our community. Pat and Anne had some shirts designed and handed them out to all board members present.

One board member suggested the 60th Anniversary logo be printed on the players jerseys for this year.

1. Treasure's Report - Amanda

\$62,416 in our bank account. The larger than normal balance is due to registrations coming into the account.

2. National Workouts/ American & International - Update

Tony and Justin are working the American and International workouts. Unfortunately potential American and International coaches are not coming to help out with the workouts. It would be great to see more potential coaches coming to help out with these sessions. Contact Tony Dagostino if interested in helping out.

National Workouts - the workouts are going well. Only 26-28 kids are showing up. Due to low numbers of registrations at National League the CLLL is may need to consider lowering the number of National League Teams for the 2017 season. Stay tuned to the CLLL for details as we approach tryouts.

A huge thank you to all the people working on these workout sessions.

The board was reminded that CLLL will not be hosting the Scott Brainerd tournament this spring. This will be the first time in the last 30 years the CLLL will not be doing the Scott Brainerd Tournament. Past participants have been notified.
