

HAWK Board Meeting Minutes

November 28 2016

Attendance: JenJ, Jason, Jeff, Anne, Tom, MikeS, Tim, and Jaime

Last month's minutes approved.

Treasure Report:

- Small number of outstanding balances
- Looking good with our current finances

MAHA:

- Dec 6th will be the seeding meeting for the MAHA Tournaments
- MAHA Play-In games to NOT count for season total team game count

ADRAY:

- All game protests must be done at the end of the game and the refs must record it on the scoresheet.

Anne's husband is currently writing a proposal protesting MAHA's game limit cap. The board agreed to support this proposal.

Try Hockey For Free: This went well. We got a lot more kids than those who signed up. Next time we will sign up for the Try Hockey For Free that provides equipment.

HAWK families did an awesome job with the amount of donations of hockey equipment to the Grand Rapids special needs teams.

Fundraiser: We will be having another Silent Auction at Walker on Feb 25th.

Screen Ideas: They are still finishing the mites and midgets' warm up, but the rest are done.

Should we continue with Screen Ideas?

Board Positions: We have many board members who will not be going out for a board position when their term is up at the end of this season. We need to let the HAWK families know early that there will be open positions at the end of the season.

Anne volunteered to do the treasurer position when Jeff is done.
