

11TH ANNUAL MYTEAM ACADEMIC PROGRAM

(Moorhead Youth Through Education Achieves More)

The MYTEAM program was established to encourage, support, and reward youth hockey players who commit themselves to their schoolwork while enjoying the sport of hockey. The MYTEAM program recognizes MYHA players in grades 1-12 that have achieved a 3.0 or higher grade point average during the 2016-2017 hockey season. (Kindergarten students do not qualify.) Please review the eligibility requirements below, complete the registration form, and submit it with a copy of the player's report card.

MYTEAM Achievement Award eligibility requirements are as follows:

1. Skaters must maintain a minimum 3.0 grade point average throughout their hockey season.
2. This is a voluntary program and participation is the responsibility of the skater and their family.*
3. All letter grades in all subjects and the program the skater is in will be used to calculate grade point average.
4. Elementary school report cards will be converted to a point system. The scores will be totaled and then divided by the number of skills measured to determine a grade point average. The number equivalent will be as follows:
 - Outstanding = 4.333
 - Proficient = 3.333
 - Developing = 2.333
 - Limited = 1.0

*If a skater does not qualify for the program, the parent/guardian will be notified.

Qualified participants will be listed on the website March 3, 2017. If you are unsure if your athlete qualified, please access the website.
