Injury Credit Request Form

When a player has been injured, it is the responsibility of the parent to inform the Team Manager, AAHA Youth or Girls Traveling Director and the AAHA Finance Manager of the player's injury if the player is unable to participate for a minimum of 30 consecutive days by recommendation of his or her doctor. The "Date of Return" is considered to be once the player resumes participating in AAHA activities including but not limited to: games, tournaments, scrimmages, practices or dry-land training.

No credit will be issued for less than 30 days of inactivity due to normal short term injuries.

- 1) The parent needs to complete the Player Injury Credit Request form. Missing or incomplete information will delay processing. Fraudulent information may result in corrective action.
- 2) Include a copy of doctor's note.
- 3) Do not submit paperwork until the return date has been established and signed off by the head coach.
- 4) Once the form has been completed and signed, submit all paperwork. Paperwork may be placed in the mail slot next to the Boardroom door. Please note: Attn: Finance Manager
