

# St. Paul Park Athletic Association

## Scholarship Request

Participation by any resident of the City of St Paul Park shall not be denied to any individual who, through economic hardship, is unable to pay the required registration fee. All scholarship requests will be forwarded to the St. Paul Park Athletic Association for case review (see any Board Member for the appropriate form). The following guidelines will be in place to help the Board determine the amount to award each hardship request. Each sport will be allowed to grant 5% of that sports registration fees collected from the previous year. **A family may be eligible for up to 50% of its request the first time. A family will be allowed one scholarship per child, per calendar year.** The in-house portion of traveling registration is exempt from scholarship requests. After the third request, a family may not be eligible for a scholarship request unless they appear before the Board and make a verbal presentation. The Director of the individual sport shall notify the family of the Board's decision and their future eligibility.
