HFC Scholarship Program

Harleysville Soccer Club is pleased to offer our scholarship program to families who require financial assistance. The club welcomes your application to be considered for the scholarship program. Please find the rules that govern the application process below.

HFC Scholarship Information and Application Instructions:

1. All Harleysville FC (HFC) players and families are expected to “pay to play.” HFC offers partial fee assistance only and players/families are expected to fund the remaining portion of their fees. No application will be considered if the player has unpaid fees from a prior season, or has outstanding fees to another youth soccer club. If necessary, HFC will work with any player/family to assure fees can be paid through a fee payment plan at the start of any season. Failure to pay fees may result in withholding of player cards. All fees must be paid in full before consideration for fee assistance for the following season. If HFC learns that any player has outstanding fees to another youth soccer club, HFC reserves the right to reject any fee assistance application until it is established that all outstanding fees to other clubs have been paid.
2. HFC offers full or partial financial assistance to youth soccer players in need of financial assistance in order to play on its competitive teams. Applications must include proof of need, preferably with a copy of the first two pages of the previous year’s federal tax return. Requests for fee assistance are considered on a per season basis and are for Club Fees only; no exceptions. No assistance is offered for other expenses including tournament fees and travel expenses.
3. The amount of aid and number of players receiving aid is dependent upon the money available in the HFC Scholarship Fund and is not guaranteed. Scholarship funding is obtained from many sources, including: contributions from HFC families, grant applications, fundraising, and HFC operations. *Players/families receiving financial assistance are expected to support HFC’s programming by volunteering their time and talent to HFC activities.*
4. HFC reserves the right to seek fee assistance from other sources, including travel leagues and grant sources to recover the costs of grants to individual player(s). By applying for financial assistance from HFC, you agree to cooperate in HFC’s efforts to recover funding and understand that if HFC successfully obtains funding from other sources it will not increase the grant to your player.
5. Please provide all requested information. Incomplete applications may be returned and may be given no consideration for the current season. All information provided is solely for the purpose of determining fee assistance grants and will be held in confidence by those designated by the HFC board to handle the scholarship program.
7. Please check the HFC website for application deadlines. HFC may reject any application received after the deadline.
