

If Lucas and/or Joey qualifies for state, we will have the opportunity to go to Madison as a team to support them. Just so you can start thinking about it, here is what would happen:

- state qualifiers would have hotel room and meal expenses provided.
- managers would have hotel room and most meal expenses provided.
- any wrestlers who want to come along would have to cover most of their own expenses. We have hotel rooms for 4-6, so the shared cost would be about 60-70 each for both Thursday night and Friday night. Breakfast is provided at the hotel, but wrestlers would be responsible for their own meal expenses besides that. They would also be responsible for their admission tickets to each session, about \$8 each, but we do not necessarily wrestle in all 5.
- depending on schedule, we would leave in the morning on Thursday and come back on Saturday, depending on how we do.

- We currently have 5 rooms at the Staybridge East in Madison near East Towne. There were still more openings, but they may fill up, and some of the other hotels I tried last week were already full. I can still cancel or add rooms depending on demand. Obviously, we need to see what happens at sectionals, but I would like to have an idea of how many want to come as soon as possible after that; that's why I'm giving info early so you can think about it.

- We also have the opportunity to get admission for one school photographer. If you would like to apply for that role, please let me know as soon as possible.

Thanks!

Pastor Brug
