

Spring Season 2017

Dear Friends, Family, and Community Partners of North Mission Viejo Little League,

We want to partner with you!

The North Mission Viejo Little League has been a mainstay for both the community and our youth since 1975, and we teach the merits and benefits of teamwork, competition, and sport to roughly 300 kids each year. The kids range in age from 4 to 16 and live throughout our community.

I am sure you are aware of what Little League instills in our community and the children that participate in it, but you may not be aware of the league's stance when it comes to inclusion. All children that sign up to play in NMVLL are accepted to the league. NMVLL has facilitated and will continue to facilitate "sponsorships" in order to provide all children with the experience only a team sport like baseball can produce.

We would like ask for your partnership in support of this amazing little league experience provided in this community. In return we want to help promote and build your business. Through exposure on and off the field, as well as, being included in our many events we strive to make sure each and every one of our supporters are recognized by the league and its members.

I also want this letter to serve as an open invitation to attend our games and events. Our current schedule can be found on our website at www.nmvll.org. I want to thank you in advance for your time, and I also want to say, on behalf of our players, we hope to see you at some of our games and thank you for being a member of our supportive community.

Please feel free to contact me directly for any further information or questions.

Sincerely,

Victoria Emry
