Dear Community Member,

LMBA has been providing a positive baseball experience for players and their families since 1960 and is one of the oldest youth baseball leagues in the area. The last few seasons have been a challenge for the league as we have adapted to and dealt with the pandemic. After our 2020 season was cut short, our board worked hard to get a safety plan approved to let our kids return to play safely as soon as possible. This was huge in a time where the kids needed an outlet for social interaction and physical activity more than ever. We were able to run successful Spring and Fall Seasons in 2021, 2022 and would absolutely love your help to make our 2023 seasons even better!

It's our goal to keep our registration costs as low as possible so we can make baseball accessible to all the kids in our community; Sponsorships play a huge role in keeping our dues minimal in a time where the cost of equipment, uniforms, and insurance continue to rise.

In appreciation of our great sponsors we offer the packages below to help recognize your business or personal donation. As a non-profit organization, all donations are tax deductible.
