Come Join Us

At Lake Travis H.S. for the 9th Annual Hill Country Passing Academy. Our staff of outstanding high school coaches and college players from around the country will instruct campers with an emphasis on fundamentals of throwing and catching the football and defensive skills training. Campers will have the opportunity to participate in the position they desire and will take part in numerous individual drills. Hank Carter, Director of Athletics and Head Football Coach at Lake Travis, will serve as the director of the camp.

Hill Country Passing Academy Camp is designed to provide High School and Youth Quarterbacks/ WR's and Defensive skill players with a high level of instruction in a small group setting. We challenge all the players to work hard, learn and have fun. Each player will receive a complete booklet that will outline his skills. He will also receive an individual HUDL link of himself doing the drills. Each day will end with a skills competition followed by dinner.
