About Sojourner

Our primary goals are to ensure the safety of victims of family violence and provide a pathway out of violence for victims and abusers through opportunities to make positive and lasting changes for themselves and their children.

Sojourner Family Peace Center is the largest nonprofit provider of domestic violence prevention and intervention services in Wisconsin, serving over 9,500 clients each year.

Who Was Sojourner Truth

Our emergency domestic violence shelter for women and children, Sojourner Truth House, is a tribute to "Belle," a woman born into slavery in 1797. In 1843 she walked onto the pages of history when she became Sojourner – God's pilgrim. A second name – Truth – came to her "in a voice as true as God's is true." Sojourner Truth traveled widely, speaking about slavery and women's rights and the dignity of all people.

Support Groups

Sojourner Family Peace Center offers free-of-charge support groups for children living in Sojourner Truth House, our emergency shelter, and children in the community affected by family violence.
