**Subject:** Teams in Provincial and Regional Leagues

The Competitions Management Committee (CMC) will be meeting on Wednesday, March 8, 2017 to review and approve the Teams in Leagues in the Provincial and Regional Leagues.

To view the teams in the various Leagues, please go to the Team in League Database in Lotus Notes.

If you are having difficulty accessing this database, please let the [Competition and Events Team](#) know and they will provide your group with a list of teams from your District Association.

As per Ontario Soccer Operational Procedure – Section 9.0, Procedure 14.8, a District Association may submit a "Club Promotion Objection" to the Ontario Soccer Competitions Management Committee prior to the meeting at which the team will be considered for approval by the Competitions Management Committee.

**If your District Association has any objections to a team in one of the Provincial or Regional Leagues, please notify Robyn McComb at Ontario Soccer before the meeting on March 8, 2017.** If no notifications have been received by March 8, 2017, then no objections will be considered at the meeting.

The teams in the Regional division of the Ottawa Carleton Soccer League who do not have access to Lotus Notes can be found in the attached excel file.
