WE NEED YOUR HELP!

After years of planning, the Brandon Valley Baseball Association (BVBA) is ready to make a commitment to bringing High School and Legion baseball back to Brandon. The current Aspen Park facility is inadequate to host either. The playing surface is a work in progress, the outfield dimensions (home plate to the outfield fence) are not at high school league standards, and a grandstand is needed.

The renovation of Aspen Park will bring a championship facility to Brandon that all members — even the youth leagues — will benefit from. In addition to our lead programs playing their home games in Brandon, there is also potential to host future State Tournaments at all levels of play. This renovation is a “win - win” for all involved.

Our goal is to start work on the grandstand in the summer of 2017 and we need your help to make it happen. The necessary improvements will cost approximately \$1,000,000 (\$250,000 of which has already been pledged by the City of Brandon and the BVBA). As baseball fans and businesses we are asking you to make a commitment to this project.
