

DELTA FASTPITCH ASSOCIATION

Delta Fastpitch Association will be hosting the 2017 U16A Girls National Championships at North Delta Park, Brandrith Park and Hawthorne Park from August 9 to August 13, 2017.

Due to the significant cost of putting on an event of the caliber of a National Championship, we are reaching out to our friends in the business community and offering an opportunity to play a part in making this National Championship one to remember.

The 2017 U16 Girls National Championships will bring hundreds of players, coaches, fans, umpires and Championship officials from all over Canada to Delta for 5 days in August to participate in the Championship and enjoy all of the things that Delta has to offer.

As you can see in the chart below, we have many opportunities to suit your business, each of which will include an ad in the program which will be distributed to each player, coach, fan, umpire and Championship official. We will also be broadcasting all games live via the internet.

If you're interested in sponsoring at the U16A National Championships, please contact us at president@deltafastpitch.com. Thank you in advance for your support of Delta Fastpitch and more importantly the young ladies who have chosen softball as a vehicle to be active in sport and learn key life lessons.
