**TO: PARENTS OF STUDENT ATHLETES AT BROOKWOOD HIGH SCHOOL**

The new **Georgia Youth-Concussion law**, signed by Gov. Nathan Deal on April 22, 2013, requires parents to sign a concussion-information form before their child can participate in sports. Any student-athlete suspected of a concussion while playing sports must be immediately removed from practice or a competition; and any student-athlete who sustains a concussion must obtain medical clearance from a health-care provider before returning.

Please print two copies of the following Concussion Form. One signed copy must be turned in to your student's coach and/or the athletic office at Brookwood High School and one copy is for your records. We are required to have this form signed each school year.

Thank you,

A handwritten signature in blue ink, appearing to read "Jason Dopson". The signature is fluid and cursive.

Jason Dopson  
Athletic Director  
Brookwood High School
