MINI-MITE IN-HOUSE DEVELOPMENTAL PROGRAM

New in 2017!!! The FAYHA Ice Miners is proud to announce our Mini-Mite In-House Program for the 2017-2018 Season! This Developmental Program provides a focus on physical development and basic fundamentals for new hockey players. The program provides instruction to skaters ages 5 through 8 in the basic skills necessary to skate freely, and the fundamental skills needed before advancing to competitive ice hockey. For the beginner-level player, our Developmental Hockey Program provides an opportunity for 8U boys & girls to learn the game of hockey and develop their skills in a fun, relaxed environment, where sportsmanship, camaraderie, and education are emphasized over wins & losses. The program consists of one practice a week, with in-house games occurring twice a month from November – February. For a cost of \$400, our Mini-Mites Program is a great way to get involved with the sport of ice hockey and to begin loving the game at a great value!
