

Skating Treadmill Training

The Novi Skating Treadmill is OPEN!!!!

How to Sign Up for Training Sessions

All sign ups for the skating treadmill are done online through our online reservation system. We hope that you will find this to be an easy and convenient way to see the schedule, make appointments, and purchase packages. Follow the steps below to create your All-N-Stride account!

Step #1

Go to allnstride.com, and click on the “schedule and Purchase” box. It will take you to a page where it will ask you to either log in or create a new account. If you are creating an account for the first time, it will ask you to fill in the **SKATER’S** name in the “never been here before” box. **ENTER IN YOUR CHILD’S NAME. PLEASE DO NOT ENTER YOUR NAME. IT WILL SAVE YOU A LOT OF COMPLICATIONS DOWN THE ROAD!** If you have more than 1 child who will be participating, enter in one of your children’s names, you can add in the others on the next page as siblings.

Step #2

On the next page it will prompt you to fill in your personal information, again your child’s name, address, your cell #, etc., and you will create a password for your account. There is also a prompt on the right-hand side of this page to add additional family members. This is where you can add as many siblings as you like.

Step #3

Once you have successfully created an account with a password, you may reserve a session on any day and time that works best for you. Notice that the schedule will have “Novi”, “Grand Rapids”, and “Ann Arbor” training sessions-make sure you select the right location!
