MANAGER'S STATEMENT:

"As the manager of the above-named team, I fully understand that if the ejection occurred in league play that the **above-named player/manager/coach, or team representative** is suspended for the rest of the night. In addition, the **person** is also suspended for the next four (4) games played by the team, whether it is a tournament game(s) or league game(s). During this suspension, a player cannot be a pick-up player for any league or tournament games before the suspension has been fulfilled. If the ejection occurs during tournament play, the **above named** player/manager/coach/team representative will be suspended from the game the ejection took place plus the next four (4) games played in the tournament if it applies, or for their next four games (4) whether it is a tournament game(s) or league game(s). If a player is a pick-up player, they must sit out the next four (4) games played by this team in the tournament if it applies. If not, they must sit out their next four (4) games whether it is a tournament game(s) or league game(s) for any team the player plays for.

As manager, it is also my responsibility to inform my local league representative or officer of this ejection and again when the suspension has been fulfilled. Failure to comply with the suspension will result in forfeiture of any games played and additional penalties for the above named, myself, and/or the team. Failure to sign this form will also be grounds for suspension.

Manager's Signature

"As League Commissioner or Tournament Manager, I verify that the suspension was carried out on this date:"
