**Note: Plan on attending one of the 1st Tryout Camps. Players selected from the first camps to compete in the final tryout camp. You will be notified via e-mail if you are selected for a final camp.**

**TW Tryout Camps run from 9:00AM until 6:00PM on the above days. Please plan on being there the entire day as the specific times will not be assigned until we determine how many girls will be attending.**

PLEASE NOTE: All Team Wisconsin players at all age levels must be Wisconsin Residents.

## Information about Girls Team Wisconsin U14/U16/U19

Team Wisconsin is an independent Tier 1 organization that competes in a “Before and After” season around the WIAA High School and Tier II Club hockey season. The schedule begins with training camp in August, followed by weekly regional practices and 25-28 games versus top Tier 1 competition and tournaments through November 5th. **U14 Girls are allowed skate with their High School OR local Tier II association and play for Team Wisconsin. This will allow 7th, 8th and 9th grade girls to play Team Wisconsin for 2017-18.**

## Team Wisconsin Practices and Home Games

Practice and player development are an extremely important part of the Team Wisconsin. Because Team Wisconsin players come from all parts of the State, scheduling practices and choosing a location for home games is challenging. Coaches will work with Managers to put together a workable practice schedule and game schedule depending on rink availability and opponents.
