NJCAA	8	7	1	157	12	22	12	16	-	\$ 501	\$ 677
Totals	168	163	104	4,667	2,375	29	23			\$ 5,914	\$ 5,871

(1) Varsity Rosters may include redshirt, reserve and/or practice squad players and do not reflect club or intramural participants.

* Hockey teams at most NCAA II member schools compete at the NCAA I level.

** Ice Hockey is an equivalency sport for NCAA scholarship purposes, so partial scholarships can be awarded (up to 30 per team in NCAA Division I) to meet the limit per school. For example, an NCAA Division I school can award 27 ice Hockey players each a 2/3 scholarship and still meet the limit of 18 per school. Ice Hockey is not an official NAIA sport. NAIA member institutions with varsity hockey programs compete in the [American Collegiate Hockey Association](#) (ACHA) which includes both varsity and club programs from US colleges nationwide.

(2) *Average Athletic Scholarship* is the average award per athlete for ALL varsity sports sponsored by the specific school. Some athletes receive full awards, some receive partial and many receive none. Additionally some sports within a school may be fully funded, some partially and some sports provide no athletic scholarships. Private schools generally have higher tuition than public schools and the average award will reflect this.

Odds of a high school athlete playing College Hockey *	Men	Women
Number of US High School Hockey players	35,875	9,418
Number of US College Hockey Players (See table above)	4,667	2,375
% of foreign students playing NCAA Hockey *	21.0%	26.9%
% of US High School Players competing at any College level	10.3%	18.4%
% of US High School Players competing at NCAA I Schools	3.1%	5.1%

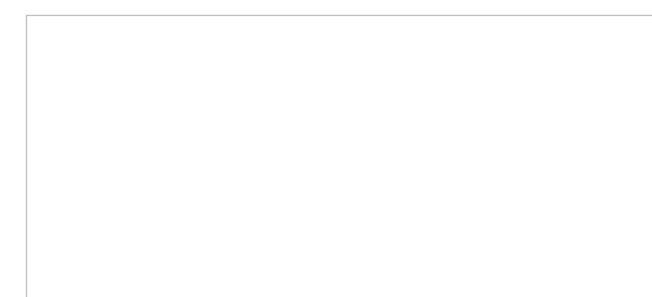

* See our page on the [chances of a High School Athlete playing in College](#) for more information.

New Data! 2016 Athletic Scholarship Averages for NCAA I Hockey teams

The following are the results of our 2016 survey of NCAA I schools that sponsored varsity hockey teams during their 2015-16 fiscal years. The results reflect the average number of athletic scholarships and the average award by responding schools, as well as the low and high range for the number and average amount of scholarships awarded per team:

Men's NCAA I Hockey Teams	Average	Low	High
Scholarships awarded per team	22	16	25
Average Scholarship per team	\$ 31,756	\$ 19,934	\$ 35,986

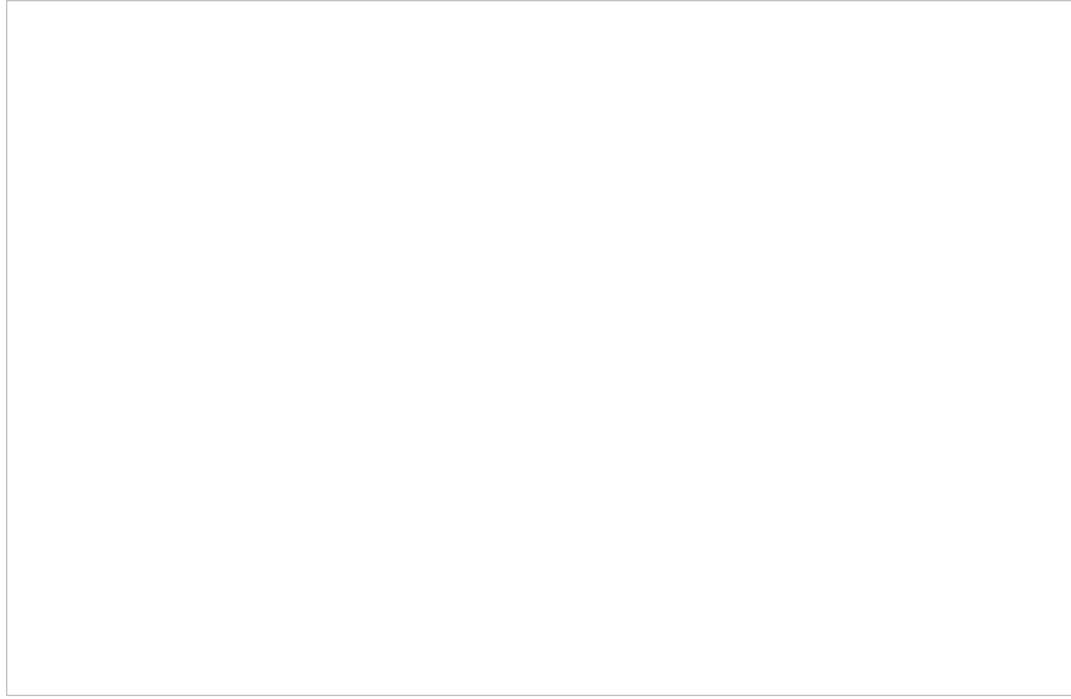

Women's NCAA I Hockey Teams	Average	Low	High
Scholarships awarded per team	20	20	20
Average Scholarship per team	\$ 41,693	\$ 41,208	\$ 42,179

Number of scholarships awarded is per team, so for 4 year schools typically only 25% or so will be available for the incoming (i.e. freshmen) class. Data includes responding schools only, programs that do not award athletic scholarships (Ivy League, etc.) are not included in these results.

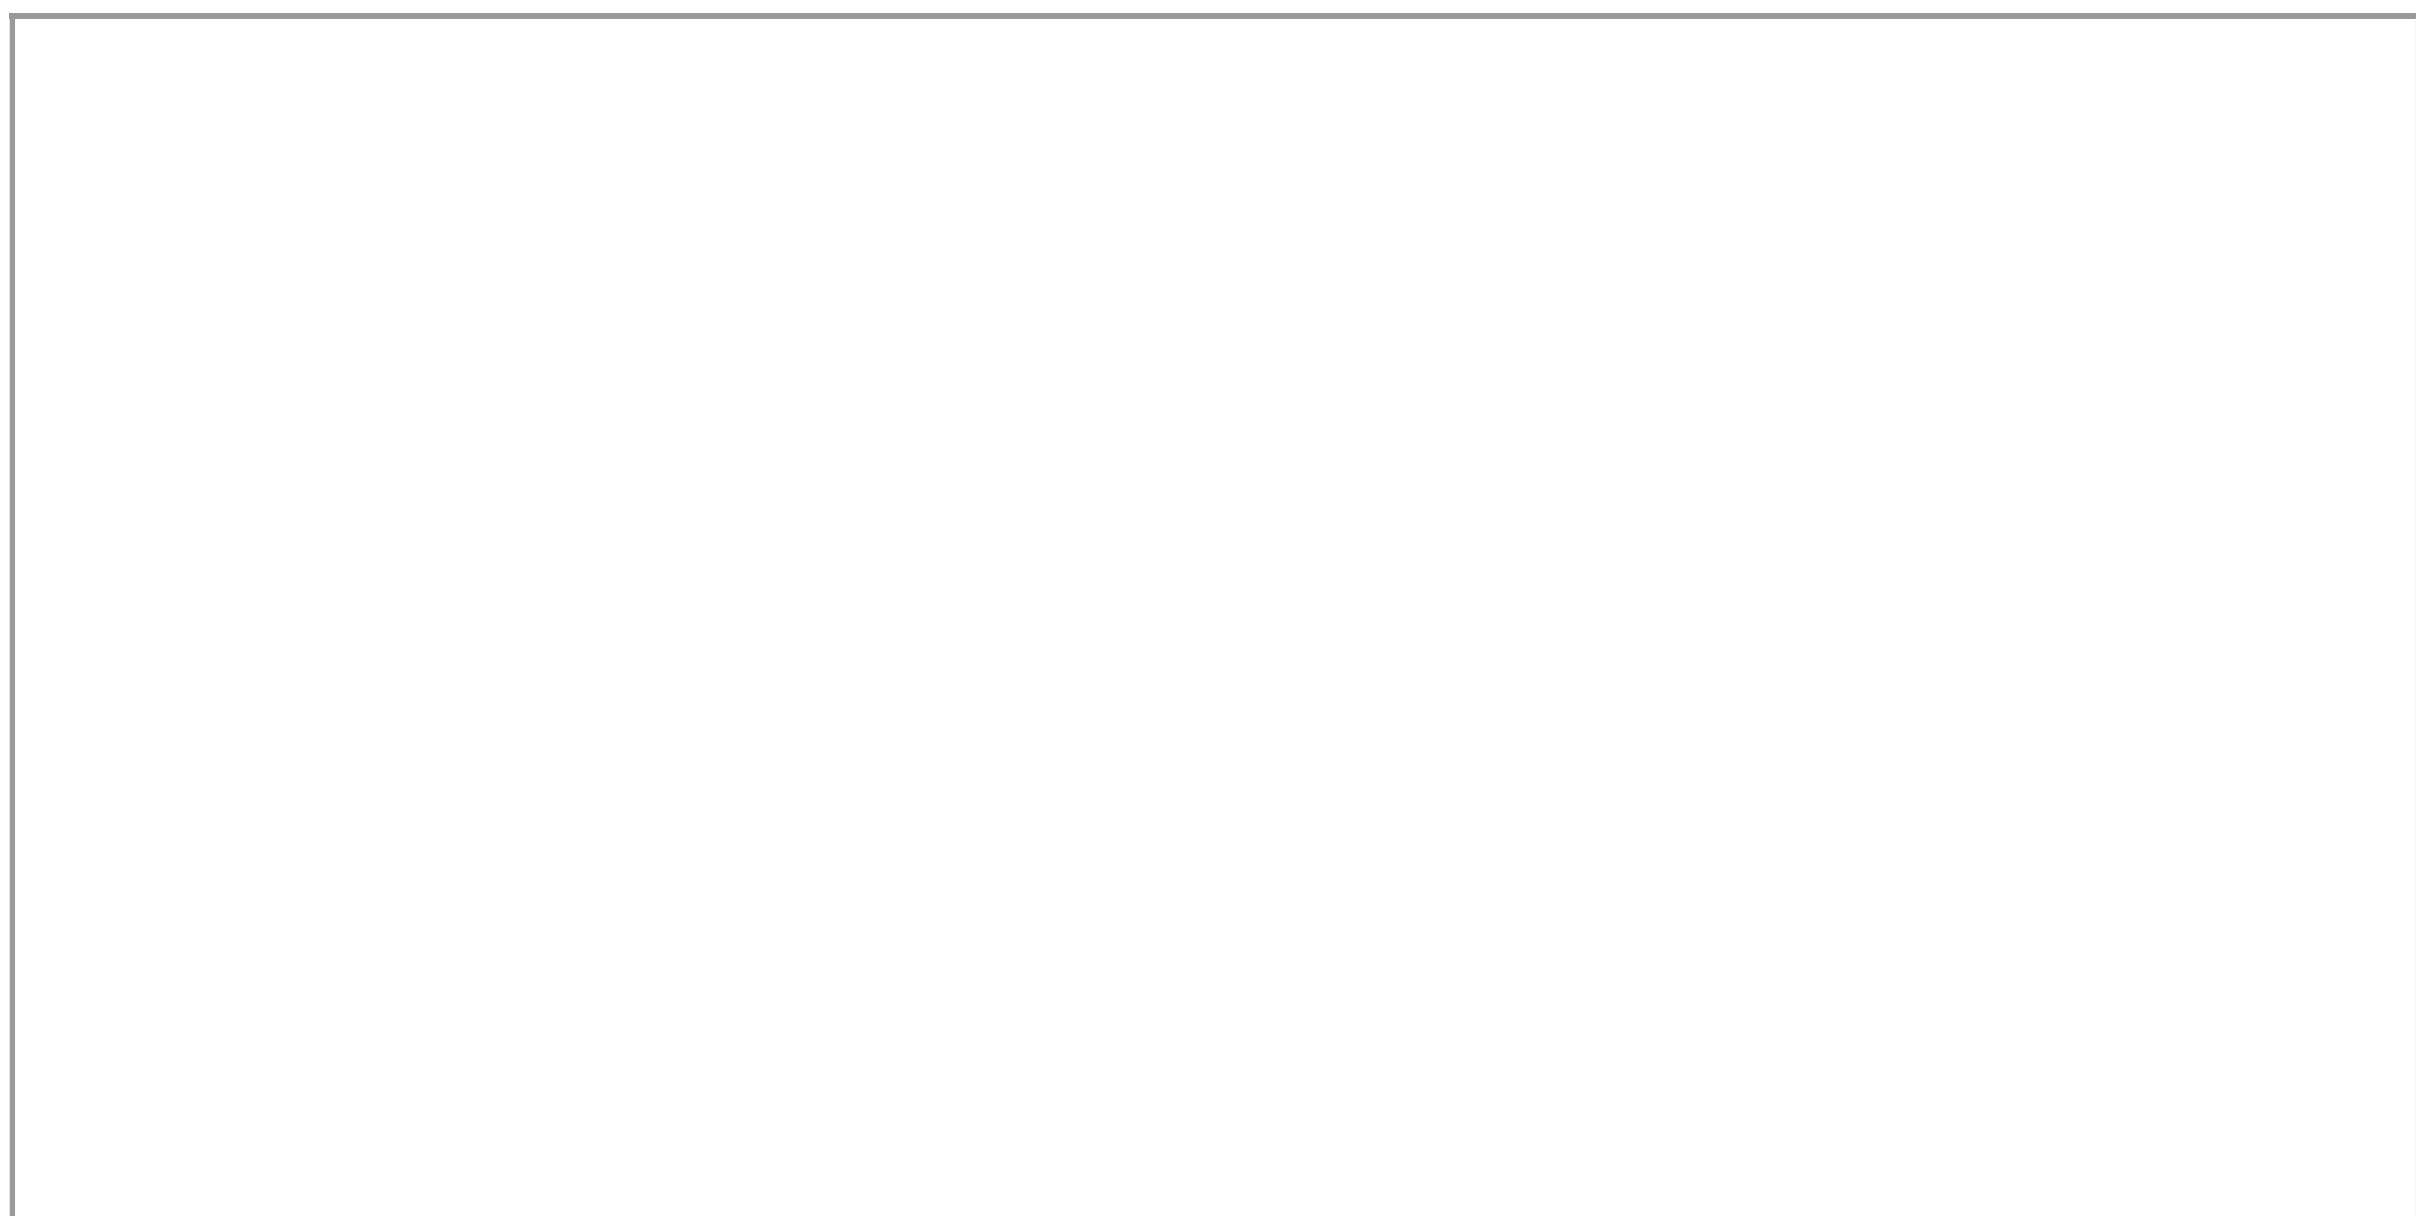

NCAA I Hockey Players - Demographics 2016-17

Where do D1 players come from? We mapped out the listed home towns of all players who appeared on NCAA I Hockey rosters during the 2016-17 season. Of the 1,645 players on men's teams, 68% came from the US, and 32% came from Canada and Europe. Of the 825 players listed on Women's teams 59% came from the US and 41% came from Canada and Europe:

<u>US Players</u>	<u>Men</u>	<u>Women</u>	<u>Canadian Players</u>	<u>Men</u>	<u>Women</u>	<u>European Players</u>	<u>Men</u>	<u>Women</u>
Minnesota	201	145	Ontario	188	176	Sweden	27	8

Missouri	23	6	Maine	4	7	Louisiana	-	-
Texas	21	3	Vermont	3	10	South Carolina	-	1

Ohio	17	7	Delaware	2	-	Tennessee	-	-
Alaska	16	9	Idaho	2	-	West Virginia	-	-
New Hampshire	14	13	Nevada	2	1	Wyoming	-	-

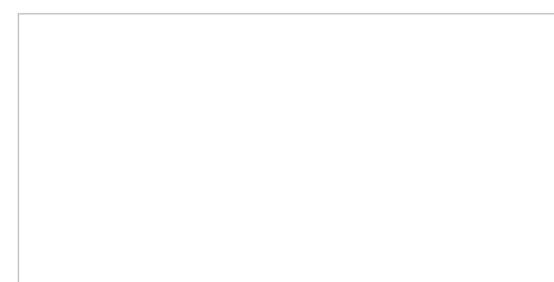

By a wide margin Minnesota was the home state listed by the most players competing on men's and women's NCAA I hockey teams during the 2016-17 season - fair to say the US hotbed for producing college players. Louisiana topped our list of [NCAA I basketball hotbeds](#), but is clearly not a big state for producing college hockey players.

&

NCAA I Players - Team experience prior to College

The following is a summary of where NCAA I players played prior to joining their college teams:

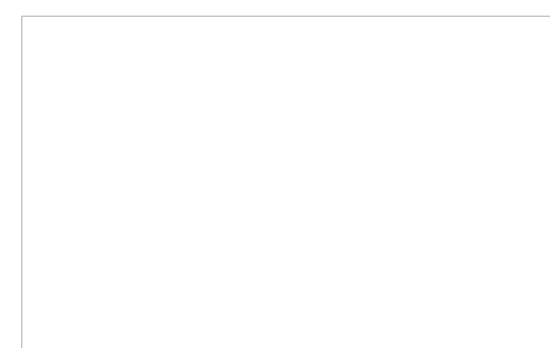

NCAA I Players - Prior team	Men	%	Women	%
Club / League Teams	1,492	90.7%	481	58.3%
HS / Prep School Teams	80	4.9%	317	38.4%
National Teams / U-18	73	4.4%	27	3.3%
Totals	1,645	100.0%	825	100.0%

Over 90% of men's teams players competed on club teams prior to college. Club players are also the primary source for Women's NCAA I teams (the Toronto Jr. Aeros alone has 27 former players on NCAA I rosters), but prep and high schools teams are a major source of players as well: Shattuck-St Mary's and Minnetonka High School respectively have 26 and 11 former players on 2016-17 NCAA I women's team rosters. Both schools are located in Minnesota.

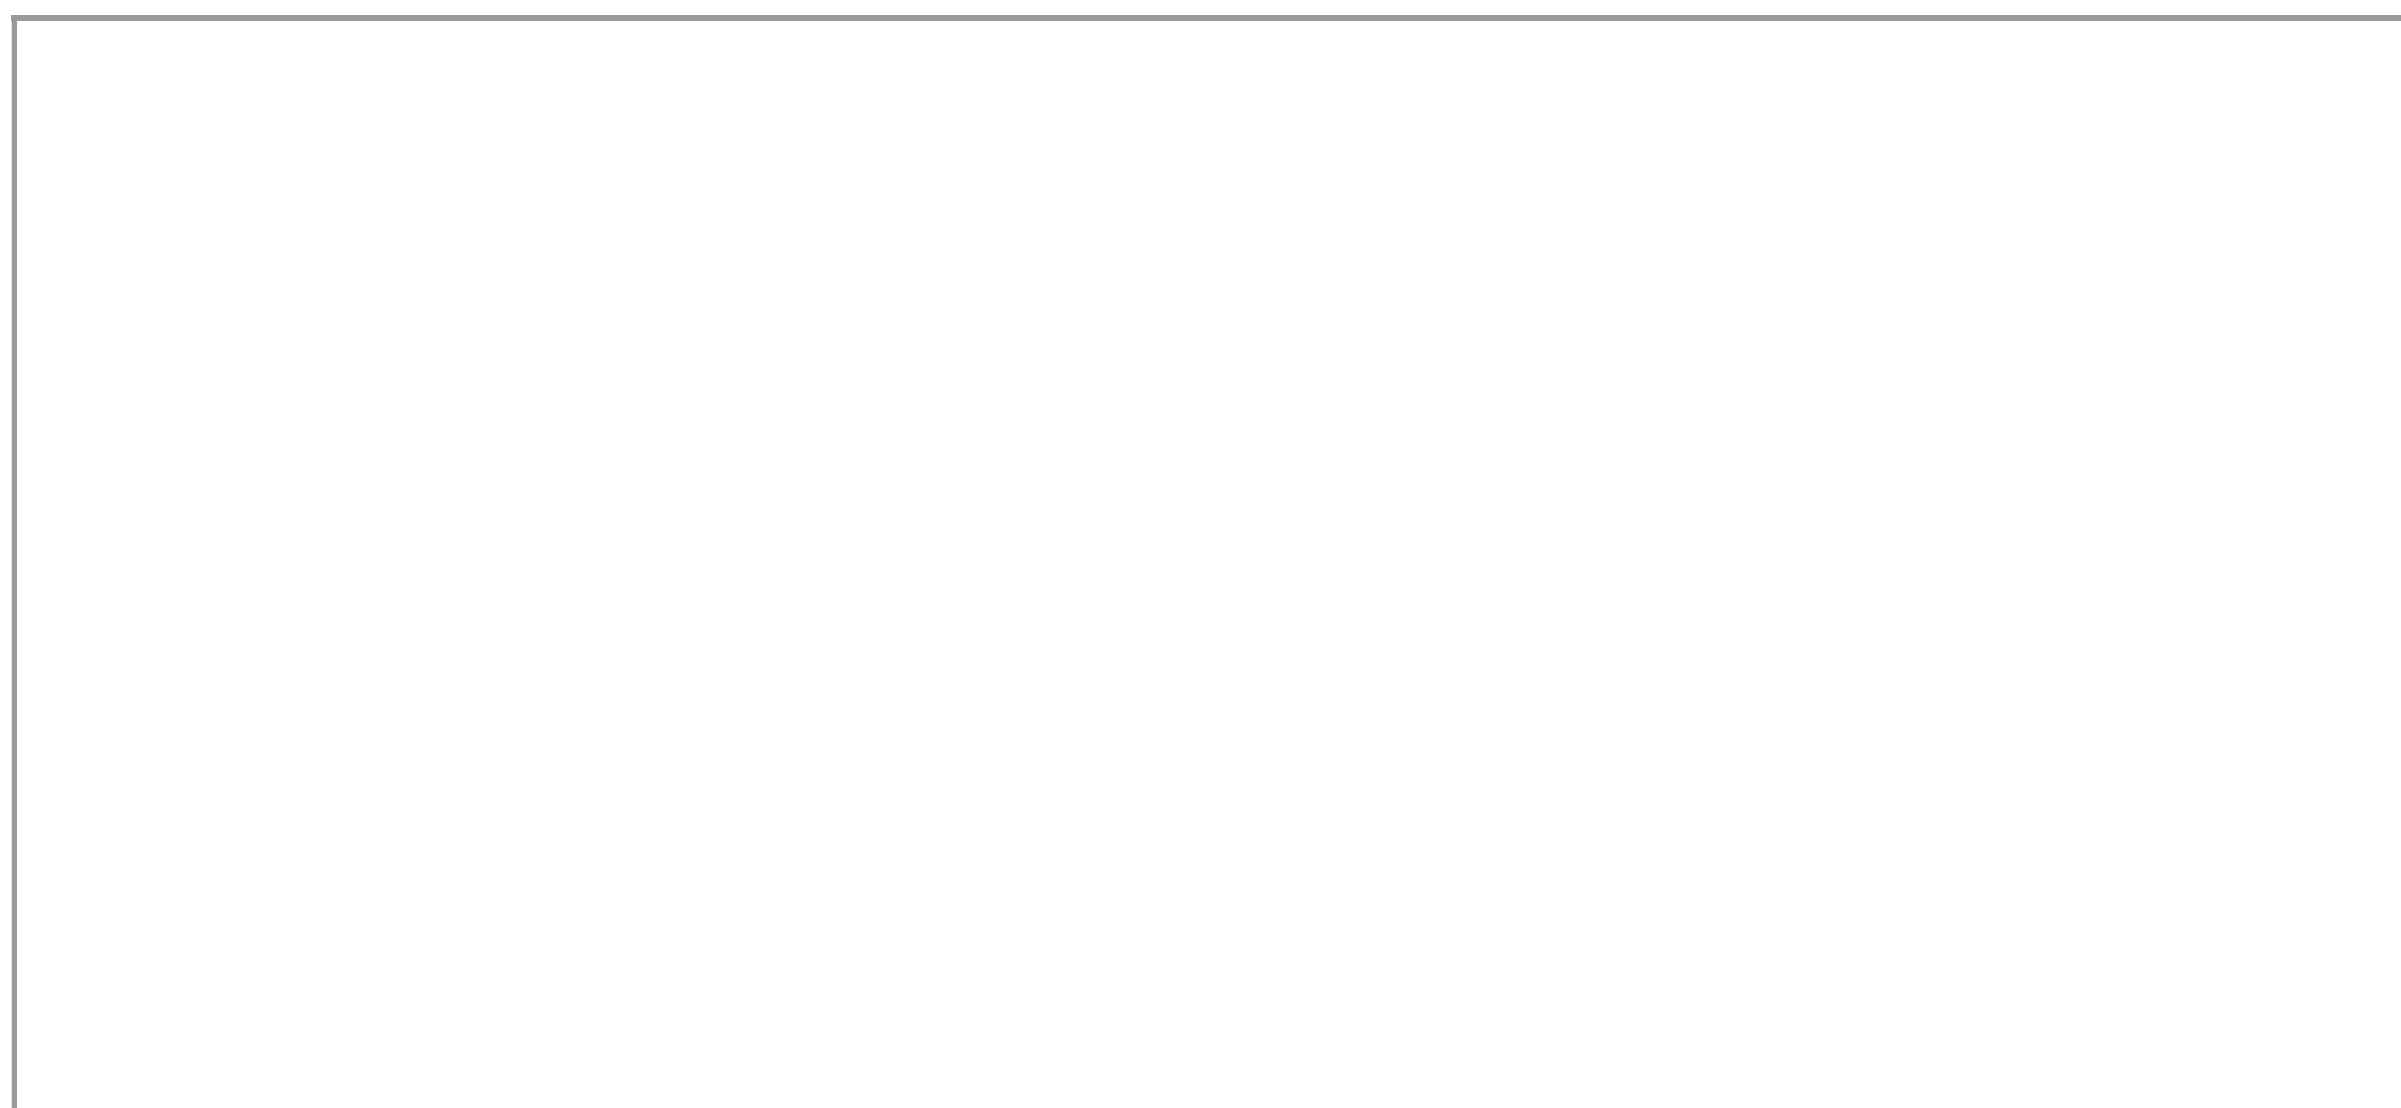

Men's players on 2016-17 rosters played in the following leagues prior to college:

Club / League Players	#	%
United States Hockey League (USHL)	554	37%
North American Hockey League (NAHL)	248	17%
US Premier Hockey League (USPHL)	123	8%
British Columbia Hockey League (BCHL)	255	17%
Other Canadian Leagues	282	19%
Other Clubs / Leagues	30	2%
Totals	1,492	100%

(1) Varsity Rosters may include junior varsity, redshirt, reserve and/or practice squad players and do not reflect club or intramural team participants.

(2) *Average Athletic Scholarship* is the average award per athlete for ALL varsity sports sponsored by the specific school. Some athletes receive full awards, some receive partial and many receive none. Additionally some sports within a school may be fully funded, some partially and some sports provide no athletic scholarships. Private schools generally have higher tuition than public schools and the average award will reflect this.

(3) *SAT Math Average*: For each school this represents the range where the middle half of the admitted students scored, so 1/4 scored below the lower end (25th percentile) and 1/4 scored above the upper end (75th percentile).
