

Falcon Uniform Security Deposit/Family Volunteer Fee:

To be successful in its day to day operations, the Oriole Park Falcons Youth Football program requires numerous hours of volunteer time each season. Accordingly, we have included volunteering as an important requirement of each child's participation in the program.

The Uniform Security Deposit/Family Volunteer Fee will be collected from each football player's family this season as an incentive for them to complete their required hours of volunteer time and to return their child(ren)'s uniform and equipment promptly at the end of the season. Our goal is to alleviate the continued struggle with obtaining enough help when and where it is needed, ensure that every football family in the program participates and does their fair share, and guarantee that each participant's uniform and equipment pieces are returned when requested.

Here are the details:

Each football family in the program is required to submit the \$50.00 fee in addition to their child(ren's) 2024 registration fee. This fee is due before or at the time your child(ren) receive their equipment/uniform pieces, and will be deposited before the first games of the season.

At the end of the season, your \$50 fee will be returned to you, providing that your family has completed a minimum of four hours of volunteer time (per player), and all the equipment/uniform pieces loaned to your child(ren) have been handed in.

Volunteer hours may be filled by a parent, guardian or other adult family member and includes, but is not limited to, the following:

- Early morning field and concession stand set-up during our home games or any playoff games we are hosting.
- Holding the field markers (chains) during home games (3 people needed per game)
- Work in the concession stand
- Game clock running
- End of day field and concession stand tear down and clean up.
