

Mt. Rainier FC Recreational Soccer Refund Policy

Mt. Rainier FC understands that occasionally a player must withdraw from soccer programs. The Recreational program refund policy for Mt. Rainier FC Recreational soccer is outlined below.

A parent/guardian (or player above the age of 18) must submit a written request via email to withdraw from the soccer season. The e-mail must be addressed to charlie.carlier@mtrainierfc.org to ensure accurate and timely action for withdrawals. A reason for the player withdraw is necessary as it will allow the soccer club to better address issues for the player and family.

If a team that the player is registered for does not build, a full refund of registration fees will be offered.

If a player withdraws **prior to the first game** of the upcoming season, a refund will be provided for registration fees. There is a \$25 withdraw fee and any processing fees charged by the third-party registration company, typically not more than 3% of the refund amount.

If a player withdraws **after the first game** of the season due to season ending injury or moving more than 60 minutes away from their team's practice site a prorated refund will be offered. Please note there is a \$25 withdraw fee and any processing fees charged by the third-party registration company, typically not more than 3% of the refund amount.

Players withdrawing **after the first game** for other reasons will not receive a refund.

There will be no refund of uniforms.
