Sunset League Schedule.....	16

Southern California's top new amateur baseball league looks to continue its success from its inaugural season in 2017. The Sunset Baseball League features a 25-game regular-season schedule and an action-packed postseason made up of a double elimination tournament at Cal Poly Pomona and a championship game at Blair Field. One of the highlights of the summer will be a midseason Sunset Baseball League All-Star Game.

The Sunset Baseball League has a competitive schedule with teams playing five league games per week. Players will be challenged throughout the season to prepare them for a possible future pro career. The environment is nurturing and the level of play is challenging. The Sunset Baseball league takes advantage of its geographic location as Southern California is known for some of the best baseball talent in the country. The six teams of the SBL are located from Los Angeles to San Diego. The Sunset Baseball League will offer our players and fans great baseball, great weather, and a summer they will never forget.

The SBL schedule opens league play on Friday June, 9 2017. Join us at a field near you!

Sunset Baseball fans can follow all the action on the league's official web site sunsetleaguebaseball.com. The website offers daily updated statistics, standings, game recaps, and video highlights for fans and media alike all season long. You can also follow us on twitter @SBL_____
