

Dear Parents,
Good afternoon.

Below you will find a couple items in regards to this week's basketball schedule.

- Please note that on Friday, February 10, school will dismiss after 5th hour. This is due to the Night to Shine dance held at school. This is a prom for students with cognitive and/or physical disabilities. The gym will be closed all day. So the varsity boys will be traveling to Trinity, Caledonia for a practice immediately after school dismisses until approximately 2:15 PM
- Please encourage your son to get the proper amount of rest, eat healthy, and wear a jacket and stocking cap. Multiple students and also some of our basketball players were absent last week. This affects practices as to what the teams can do and how practice proceeds.
- Mr. Erbe has taken multiple photos of the JV2 boys. Attached is a link to those photos. Please contact him if you have any questions. <http://prints.erbepphoto.com/pacersbball2016>

HAVE A GREAT WEEK!!!!
