On Sunday June 18 the Gaffer Elite 2020 Team was part of a program sweep with three Championships at the SUNY Albany campus. The team won all four of their games in closely fought battles with strong opponents. They were led by a stingy defense of long poles: Ethan Brown, Chase Blumbergs, Austin Callahan, Gio Fabi, Albert Hammer, Seth Hogue, Chase Smith and Rory Thompson. The goal tenders: Elon Friends and Jon Goodspeed were a huge reason the opponents were held to an average of only four goals a game.

The heart of every team can usually be found at the midfield with athletes like: FOGO Joe Race, Christian Abbadessa, Nick Cartmill, Kelly Dupree, Max Freeman, Cameron Kenefick, Nathan Latshaw, Aaron Tebo and Brandon Warren. The top of the scoring food chain were the attackmen: Jake Carpenter, Quinn Bowler, Eddie Gigliotti, Luke Maslin and Kevin Matson.

Gaffer Elite's 2020 Team plays this Saturday and Sunday in West Chester, PA at the Victory Event: Summer Slam Tournament.
