### 2018 IIHF WORLD JUNIOR CHAMPIONSHIP

The 2018 International Ice Hockey Federation World Junior Championship will take place Dec. 26, 2017 - Jan. 5, 2018 in Buffalo, New York.

The U.S. and Canada will make history when the two rivals battle outdoors on Dec. 29, 2017, in a preliminary round game. The outdoor game, one of 31 total in the 2018 World Juniors, will be staged at New Era Field in Orchard Park, New York, home of the NFL's Buffalo Bills. Never before has an outdoor game been played at any top-level IIHF world championship.

The United States, which enters the 2018 tournament having medaled in back-to-back IIHF World Junior Championships for the second time ever (2010 - gold, 2011 - bronze), aims to claim a third-straight medal in tournament play for the first time in history.
