

There's one first-down zone indicated by the 15 yard marker.

The short red and blue lines represent the two spots in which a team may place the ball for an extra try following a touchdown. The 10 yard mark is for 2 points and the 5 yard mark just 1 point.

The football field is broken down into 2 fields with playing zones between the 30 yard line and back of the endzone. Play begins with the "QB TEE" being placed on the 30 yard line.
