

Huntington Beach High School Aquatics Booster Club

Hello HBHS Aquatics Athletes and Parents -

On behalf of the Huntington Beach High School Aquatics Booster Club, welcome to the 2019 / 20 HB High School Aquatics Season. To all our returning Athletes and Parents, we are excited to see you again and thank you for all your continued support and dedication. To our new incoming Athletes and Parents, we extend a special welcome to the HBHS Aquatics Family!

The coaches will be sending out some important emails in the next few weeks, but until then, here is some important information to help everyone get ready for school to begin.....

First, I ask all Athletes/Parents to register on the Aquatics Booster website at www.oilersabc.com. In the upper right corner there is a "log in", this will lead you to "Sportsengine", please create your account and contact information. The OilersABC website will be your vital link to all things HBHS Aquatics. The website will have all the practice schedules, calendars, coach contact info, Athlete profile, pictures, Fundraising, sponsorship opportunities, Aquatic Board contact information and agenda / minutes.

Second, once logged into the website it is time to check out the Gear Store – this is your official site for ordering your HBHS required clothing and suits. The gear store opens before each season and sizing for gear will take place on the pool deck for our Athletes.

Currently we will be opening the store for one more round of ordering Water Polo Suites this Friday.

Third, we would like to invite all Parents and Athletes to attend our Aquatic Board Meetings; you are ALL welcome. Remember, we work for you and your Athlete – our mission is to facilitate and enhance the Aquatics Programs. Our next meeting will be September 9th in the team room at 7pm.

Fourth, if you are the parent of an incoming freshman or a transferring student and have questions, are not sure what to do, or just confused with the fast pace of High School, give us a call. You are now part of the HBHS Aquatics Family and we are here to help you.

Lastly, each Aquatic Program is self funded and has its own budget and accounting. On the home page of our website (www.oilersabc.com) is the "Direct Athlete Donation Link" for each program. The links are live and available for donations to your respective programs. The HBHS Aquatics Program is a tax deductible 501c charitable group.

That's all for now. As always if you have any questions, visit our website or give us a call.

Respectfully,

Jason Pyle
