

STOCKTON JR. COLTS ICE HOCKEY CLUB

Sponsors & Donations

Dear Sponsor-Donor,

The Stockton Junior Colts Ice Hockey Club is a non-profit, volunteer run organization that has been providing ice hockey programs to California's Central Valley for over 60 years. Your generous support is essential in helping us provide the youth of our community the opportunities that the sport of ice hockey provides. Since 1957, the Jr. Colts have provided a premier hockey experience in Northern California by serving its players with a family atmosphere that encourages hard work, and good sportsmanship. Our success is based on the dedication and generosity of our volunteer club officials, coaches, parents, and donors like you!

The Jr. Colts offer a variety of experiences from beginning skaters to advanced players. From "Try Hockey 4 Free" for ages 4-12, all the way up to High school aged travel hockey, the Colts have a hockey experience for all ages. Our "A/B" teams offer a balance of skill development and competition. The Jr. Colts offer teams for boys (ages 5 - 18) and girls (ages 5 - 18). Try-outs for the travel hockey teams occur in early June and our competitive season runs from late August through the end of March. A "season" consists of approximately 4 pre-season games, 20 regular season games and a few tournaments. We compete against teams throughout California, for the regular season, and often against out of state teams for tournaments. The values our athletes take with them from this sport include trust, responsibility, ownership, accountability, and leadership. These values reverberate through their team and into their family, community, and society at large.

We are seeking generous supporters who want to help us provide hockey experiences to a larger portion of the central valley's youth. Equipment and rental of the ice are the majority of the operational costs for our club. The cost of proper equipment for a youth to experience ice hockey can be overwhelming. A equipment starter kit (skates, gloves, full pads, stick, helmet, socks, etc.) is approximately \$350-\$500 depending your age. The Stockton Colts' rent ice time from Oak Park Ice Arena in Stockton, CA. The Colts annual ice cost can exceed \$100,000.00 in a single season (this does not include coaches!).

It is through the kindness and generosity of people like you that we hope to consistently provide this opportunity for our youth and community at a reasonable cost. Attached is a list of sponsor/donor opportunities. As a sponsor-donor, your tax deductible financial support will help provide the youth of California's central valley a premier ice hockey experience.

Thank you for your consideration of support,

Stockton Jr. Colts Ice Hockey Club
