

# 2019 SENIOR BODIES

## WHAT ARE THE 'BODIES'?

The bodies are blown up/decorated printed photos of the seniors. Each parent takes a picture of their child and has it printed and blown up at a print vendor (suggestions below). The picture is attached to fire proof paper provided by the EHS Senior Party Body Co-Chairs. Drawings and pictures can be added to illustrate your child's personality, activities, interests or future plans. The bodies are hung in the EHS halls during the senior party as part of the decorations and are sent home at the end of the evening.

## CREATING A BODY

1. Send an electronic VERTICAL photo to a print vendor (suggestions below), affix the printout to fireproof paper (supplied by the Senior Party staff) and decorate OR...
2. Trace a body silhouette (feel free to use the Senior Party Warehouse for this) onto the fireproof paper and decorate.

## Dunn & Semington Instructions:

Upload your photo to: <http://dunnsemington.com/upload-a-file/>  
Turnaround time: 2-3 days – they'll call you when it's ready

## Linhoff Photo instructions:

Email your photo to: [info@linhoff.com](mailto:info@linhoff.com) OR.....

**\*LINHOFF PROFESSIONAL PHOTO SHOOT OPTION: \$50 ADDL** (Includes taking the photo, making into a print, then emailing it to the parent to keep. They can then turn this into a body for prices stated on page 1)

## Office Depot- Centennial Lakes Instructions:

Email your photo to attn: **Deb or John** at [ods06042cpc@officedepot.com](mailto:ods06042cpc@officedepot.com)

Deb said these would be the max price as they actually price by square foot and these prices are based on full 24" x 6'. Some pics will not be that large as some students will only be 5'5" etc. Office Depot **puts out coupons** so people can bring those in. She suggested we encourage people to do this earlier rather than last minute. The turn around is faster.
