

# Helpful Tips

Welcome! Below are some helpful tips to help make your skating experience in the Ley Pavillion, at Harris Park, in Dodgeville, WI a great one!

- Rental skates are available. We have double-bladed skates for the toddlers, hockey and figure skates available in youth sizes thru adult size 13.
- Wear long socks. Skates can rub against the skin and cause blisters, if not covered.
- Bike helmets are welcome.
- Dress appropriately; even-though the ice rink is inside the Ley Pavillion, it can get very cold! Dress the kids like they are going to play in the snow. Mittens and snow-pants help protect the skin from the coldness of the ice, especially if they happen to spend more time sitting on the ice, vs. skating on it. 😊
- Read and obey the ice rink rules.
- The ice rink will be divided into two sections.
  - The area off to the left: Is available for new skaters, of all ages, so they can get used to the ice and skate at their own pace. This area will also contain small goalie nets for new skaters to push along the ice for support, if needed.
  - The area to the right: Is for the more experienced skaters.
- Concession stand is available.
- Have FUN!!
