Adjustment to PDC Committee: Kirby St. John has accepted a different career opportunity and has relocated. Our recommendation is to remove him from PDC and not replace him at this time. This will get our numbers back in line.

Junior Gold: We discussed Junior Gold and are planning on moving forward. We discussed possible coaching options and we will reach out to same past RLS players to see if they have interest in coaching this team.

Tryouts and Evaluator's: Tryouts will be held in similar manor as last year. The only difference this year is with only on Bantam team there will not be a bantam level tryout. We also discussed evaluators for the different levels and goalies as well.

Skills Night: The Committee wants to stay with the split practices started last year. It was discussed that these practices provided good opportunities for the teams participating. It was also discussed to have single team practices on weekends when possible.

Ice Scheduling: The Committee wants to stay with the split practices started last year. It was discussed that these practices provided good opportunities for the teams participating. We also discussed how the demand for ice increases when the high school programs begin their season.

Fall Coaches Clinics: We will be sending out an email the first week of September inviting all the coaches to the fall coaching clinics. With the changes in coaching requirements it is extremely important complete requirements earlier than in previous years.
