

# DIBS Program 2020-2021

The BYHA requires each family to fulfill a certain number of volunteer hours and do a certain amount of fundraising each year in order to keep registration costs as low as possible. This volunteer requirement is necessary for the association to be successful.

Please note that during the registration process, you were prompted to check a box acknowledging that if you do not fulfill your volunteer hours you will be charged a \$500 penalty per child. A \$500 check will be collected at the beginning of the year for each child (up to two maximum from each family). This deposit check will be held by BYHA (not cashed) until the end of the hockey season. If all volunteer shifts are completed the check will be shredded. If your volunteer shifts have not been met by March 31, 2020 the check will be cashed. The full amount of shifts need to be completed, if partially completed the full check will be cashed. Our goal is to not cash any checks, we would like everyone to meet their volunteer requirements.

BYHA utilizes the DIBS online tool to manage volunteer hours. All volunteer opportunities will be available through the DIBS menu. If you do not see any available volunteer hours, they have been claimed. DIBS will be added as they become available. Please allow time for completed DIBS to show up on your profile.

Cancellation of your claimed shift is generally allowed, as long as it is cancelled more than 72 hours before the shift is scheduled to start. If you are unable to complete a shift after the cancellation window you are responsible to find a replacement.

Tournament shifts include rink manager, running the clock, scorebook/announcer, and penalty box.

Running the clock, scorebook, or penalty box during non-tournament games or scrimmages does not satisfy a DIBS requirement. Locker room monitoring or COVID related duties for practices and games does not satisfy a DIBS requirement. All of these team-related activities need to be completed and each family is obligated to share in the performance of these duties. Team managers will coordinate the completion of these duties.

Each family is required to fulfill DIBS shifts for each player registered in BYHA up to a maximum of two players per family.

**The required DIBS is 6 Per Player**  
(6-Tournaments)
