

Ely Blue Line Youth Hockey

Scholarship Policy

The Ely Blue Line recognizes the cost of playing hockey can sometimes be cumbersome to some families. A Scholarship fund has been set up to help offset that cost.

Policy Guidelines and Process:

- Families interested must submit their completed Scholarship Application before November 30th of the current season
- The Executive Committee will review, in anonymity, ALL the submitted applications and award funds up to but not exceeding \$2000 (in totality, between ALL submissions). If, in the unlikely situation, the request totals are over the allotted fund, the Ely Blue Line Board will review options.
- Once the scholarship has been awarded to each family, the Registrar, Treasurer and family will work together to submit payments/credits accordingly.

Please Note:

- Requests will not be accepted after the close of Registration.
- All submissions are for the current season only.
- All award decisions are final.

Per the Scholarship Application:

- Players must complete mandatory fundraising and volunteer requirements as well as pay jersey & equipment fee.
- Player must be in good standing with the association (no outstanding fees or volunteer hours)
