

## Croatia Juniors Indoor Soccer Cup

Croatia Juniors Soccer Club proudly held its annual Croatia Juniors Indoor Soccer Cup on Dec. 8th and 9th. The Croatia Juniors Directors envisioned holding events and tournaments just like this - at our facility. This years Croatia Juniors Indoor Soccer Cup marked the second time the event was held at AOA Fieldhouse. Our friends, players and coaches from rival clubs marveled at the facilities that were created at AOA. Again what was a vision has now is a reality. AOA provides a relaxed environment for all the players and parents.

The "Café" which was located upstairs at AOA was a huge hit! Often parents and players have to find a place to eat and hunker down in between games. The Café provided a quick meal and a place of comfort for both player and parents. The Café also provided an unique viewing perspective for parents as well and a place where work can be conducted via the internet by utilizing the free guest Wi-Fi network provided by AOA and Croatia Juniors Soccer Club.

The club is already working on next year's event. Our goal is for the tournament to be the premier indoor event in the region.

None of our tournament success would be possible without the support of our volunteers and parents. Thank you for all of you who assisted in making our 2nd Croatia Juniors Indoor Soccer Cup at AOA a huge success!

On behalf of the Croatia Juniors Directors we would like to wish all of you a Happy Holiday Season.

## Season's Greetings From Croatia Juniors

Season's Greeting from everyone at Croatia Juniors. As the calendar year comes to an end and as we enjoy the holiday season with family and friends, we want to thank each of our players and our families for your participation and commitment to Croatia Juniors Soccer Club.

As we look back at the 2018 calendar year we look back at a year filled with memorable games, friendships made and relationships amongst all of us strengthened. The staff at Croatia Juniors fully understands how much the club means to it's membership. We take great responsibility in creating a special soccer environment for all of our boys and girls.

Croatia Juniors wants to assure you that our commitment to player development always remains our number one goal. It is a real pleasure to have worked with all of the kids over the past year. We see great strides in their development. Our holistic approach when it comes to our players' development is working and we will continue to build upon that philosophy in 2018. Through hard work, perseverance and dedication to the game Croatia Juniors players will have more great opportunities to keep striving for greatness.

Good luck to our boys and girls in 2019. Make sure you save the Christmas Party Date. See you all there.

## Croatia Juniors Indoor Soccer Cup a HUGE Success!

Congrats to all the boys and girls who participated in the Croatia Juniors Indoor Soccer Cup . The tournament marked the second time the event was held at the AOA Fieldhouse, in addition to Lost Nation Sports Park. Teams came in from our local area, Pennsylvania and as far away as Windsor, Canada. Our guests were so impressed with our new facilities. We all should be proud of those remarks as none of this would have been possible without the support of our families and friends of the club. The guests see the clubs passion to the game and our commitment to providing first class facilities for our players to play in and a place were all of our players can call "Home".

On the field Croatia Juniors won many championship trophies for the event. These success stories are a direct result of all of our boys and girls working hard and taking the coaching that they are learning in training and applying it to the game. Our staff would like to wish all our kids the best of luck in future tournament events!
