

Dear parents of a Moreland Little League player,

The following message is from Moreland Little Leagues' Board of Directors to the parents of players in the T-Ball through AA-Ball divisions.

We hope you are enjoying the off season. Registration for the 2018 season will start in November.

However, like many other leagues in our area, MLL is in danger of reducing the scope of its 2018 season because of a lack of volunteers. If the trend continues, MLL faces a real danger of dissolving or being absorbed by a neighboring league as early as 2019

Many of the volunteers from the past seasons no longer have kids playing in MLL. Also, 2018 will be the last season of active involvement for many of the current board members, some who have been members of the league for over a decade.

So we're sending out this plea: if your child enjoys playing baseball, if you enjoyed the families and sense of community that our league offers, or if you simply want to help preserve a league that was founded in 1959, please reach out to president@morelandlittleleague.org and find out how you can help. We understand that many of us are already busy with life, but if a larger number of people share the effort it will make a great difference.

Again, if you have any ability to help, please email president@morelandlittleleague.org so that we can make sure the 2018 season does not begin the decline of our league.

We will always have a need for managers & coaches in the younger divisions, but we also have need for help with other roles, including some behind-the-scenes roles that can be performed at flexible times. We will be happy to discuss specifics with those of you who reach out.

We also want to take this time to thank those of you who have spent time volunteering for our league. We have a reputation as being one of the best leagues in the area and that's a direct result of all of the effort of the volunteers over the past several years. We hope that those of you who have volunteered will continue to do so.

From the MLL Board of Directors

Dear parents of a Moreland Little League player,

The following message is from Moreland Little Leagues' Board of Directors to parents of a player in the minor and major division. We sent a separate email to the lower divisions.

We hope you are enjoying the off season. Registration for the 2018 season will start in November.

However, like many other leagues in our area, MLL is in danger of reducing the scope of its 2018 season because of a lack of volunteers. If the trend continues, MLL faces a real danger of dissolving or being absorbed by a neighboring league as early as 2019

Many of the volunteers from the past seasons no longer have kids playing in MLL. Also, 2018 will be the last season of active involvement for many of the current board members, some who have been members of the league for over a decade.

So we're sending out this plea: if your child enjoys playing baseball, if you enjoyed the families and sense of community that our league offers, or if you simply want to help preserve a league that was founded in 1959, please reach out to president@morelandlittleleague.org and find out how you can help. We understand that many of us are already busy with life, but if a larger number of people share the effort it will make a great difference.

Since you have a child in the upper divisions, the lack of volunteers will likely impact your child's season greater than that of the players in the lower divisions. Because many of our upper division families are experienced with our league, we believe that these families have a lot to offer as volunteers and can assist parents of the lower divisions in volunteer roles, which will pass on information to the future caretakers of our league.

Again, if you have any ability to help, please email president@morelandlittleleague.org so that we can make sure the 2018 season does not begin the decline of our league.

We will always have a need for managers & coaches in some divisions, but we also have need for help with other roles, including some behind-the-scenes roles that can be performed at flexible times. We will be happy to discuss specifics with those of you who reach out.

We also want to take this time to thank those of you who have spent time volunteering for our league. We have a reputation as being one of the best leagues in the area and that's a direct result of all of the effort of the volunteers over the past several years. We hope that those of you who have volunteered will continue to do so.
