- Per the USA Hockey Rulebook, checking is NOT allowed in this tournament.
- Teams must be a registered member in good standing with a USA Hockey or CAHA, Local, State and Regional Affiliate Association.
- All players must adhere to their local hockey governing body's rules regarding equipment.
- Teams must compete in a local, state or regional league as a registered and rostered team.
- An official roster must be submitted prior to the tournament.
- Noisemakers are not allowed.

**TOURNAMENT FORMAT**

- All games will consist of three 12 minute stop-time periods. One minute rest between periods. The rink will be resurfaced at the end of each game.
- Each team will be permitted one 45-second timeout per game.
- Teams will receive a 5 minute warm-up prior to each game. Please have your players at the game site 1/2 hour before your game time for locker assignments and game announcements. The tournament will supply practice pucks to be used during the 5 minute warm-up period.
- A 6 goal lead will result in running time in the 3rd period. The clock will stop on injuries and penalties only. If the losing team pulls back within 4 goals, the game will revert back to stop time. There will not be running time in the 1st or 2nd periods.
- The top team in the bracket is the home team and will wear light colored jerseys.

**PENALTY/RULES ENFORCEMENT**

- Minor penalties will be 1 ½ minutes in duration.
- The red line icing rule will be enforced. No slap shots or body checking.
- All on-ice referee decisions are final; any protests will be decided by the referee-in-chief and the head of the rules committee. Game final scores WILL NOT be overturned or changed under any circumstances except for the use of an illegal player.

**OVERTIME AND TIE-BREAKING PROCEDURES**

- All games tied after regulation play will be handled in the following manner:  
There will be no resurface prior to overtime for all games **Friday and Saturday**:
  - First overtime period: a 3 minute rest period, then play one 5 minute sudden death overtime 5 on 5.
  - If the game is still tied after the first 5 minute overtime, a shootout will be performed.
    - Five players from each team will be given a chance to shoot on the goalie. If the score is still tied after the 5-man shootout, a sudden death shoot out will begin with each team given 1 to 1 opportunity.
    - Teams cannot use the same player in the sudden death shootout as was used in the first 5-man shootout, or until every player on the team has performed in the shootout.
    - If a player is in the penalty box at the end of the overtime period, that player will be ineligible for the shootout.

There will be no resurface prior to overtime for all games **Sunday**.

- Goalies must remain in net throughout the overtime period.
- First overtime period: After a three minute rest period, play a 5 minute sudden death overtime 5 on 5.
- Second overtime period: After a one minute rest period, play 4 on 4, until a team scores a goal. Should penalties occur, no team shall fall below 3 skaters on the ice. The penalized player will take a seat in penalty box and play will resume 4 on 3, with player advantage for duration of penalty going to the opposing team.

**WITH THIS BEING A NON-CHECKING TOURNAMENT THERE WILL NOT BE ATHLETIC TRAINERS ON SITE. AN EMERGENCY MEDICAL PLAN IS AVAILABLE AT EACH RINK.**

OBSCENITIES, UN-SPORTSMANLIKE CONDUCT, DAMAGE TO FACILITIES OR PHYSICAL / VERBAL ABUSE BY ANY COACH OR PLAYER WILL RESULT IN A TOURNAMENT SUSPENSION.
