As part of the Ontario Soccer and SportsEngine partnership initiative to transition to a new Member Management system, Ontario Soccer is requesting that all Districts, Clubs and Academies provide the most up to date organizational information.

Please take a few minutes to complete the [Ontario Soccer Organization Provisioning](#) form and enter your most current organizational information.

This information will be used to ensure we have the most current information on file and can complete provisioning of each organization on our new system.

If you have any further questions, please contact [Lyn Wallington](#).
