There is a disturbance at Tanka Farms all the ghouls, zombies, and monsters are fleeing Pumpkin Patch and finding a home at the 'OLD' Produce Stand... the rumors are, Hello Kitty turned ZOMBIE

and her zombie friends are taking over. The ghost and goblins start a stirring at **6:00 PM** and that's when we will be starting and finish at the *Witching Hour!*

Remember it is a potluck –

What's in the pot?

- A-H Rice dishes, sushi with live unagi
- I-M Cakes, cookies, pies, guano cheese cake
- N-R Wallacedrof Salad, vegetables, moss from the underbelly of a toad
- S-Z Drinks, sarsaparilla soda, gatorade, toadade

And a Main Dish

The Octagoons are presenting the **HAUNTED PRODUCT STAND** – I heard they ate some of the Zombie Fruit... turned themselves into zombies and monsters. There will be games by the Junior Optimist... I was told, they got really good prizes this year!!!

So much FUN – do not forget the **Costume Contests** for all ages... And the big finale, the **Parade for Trick and Treats** for all.

So do not be a stranger, but be **STRANGE** and **MYSTICAL** for the **BESTEST TIME OF ALL...**
