

ALTERNATIVE SOUTH METRO JUNIORS VOLLEYBALL PROGRAMS

The following information is being provided as a resource to those families who do not make a team with the SVA. Our goal is to give an opportunity to play to as many girls as possible. We regret that sometimes we cannot accommodate all of the girls in our program and wish to provide this information in effort to help find alternative places to play. These are just some of the many programs in the metropolitan area that are a little closer to Shakopee. We are not specifically recommending or endorsing any of these programs. For a more complete list of programs, please visit the NCR site at www.ncrav.org. If there is a club that interests you, we encourage you to contact the club even if the registration/tryouts have already happened as some times the club still has openings.

Club Name	Ages	Tryouts	Time	Fee	Location	Contact information
