

HDC Meeting Minutes 11/13/2017

Present: Cory Rupp, Neil Huewe, Tony Mannassau, Kurt Knott, Bob Brink, Eric Monsrud, Casey Reiersen

Absent: None

Guests: Jason Brodina, Courtney Gifford

Meeting Started: 6:30

- 1) Discussion on Casey staying on the HDC. He has tough work schedule in the summer months and is not able to attend the meetings however he'd still like to stay on the committee. When Casey is not able to attend his assistant coach Rob Aitken will attend.
- 2) Discussion on 12U and 10U numbers. 10U is currently at 16 skaters and 10U is at 12. Based on conversations with the lead coaches it is best to leave the kids where they are currently at. Andy Haskell reported one girl was missing a fair amount of practices already so they may be at 15 anyway.
- 3) Discussion on Mite in house teams. Mite 1 teams will be picked soon and Scott McLean will have Mite 2 teams picked today. Jersey's will be handed out soon. Travel teams will be selected after that based on the numbers.
- 4) Squirt A home tournament was canceled due to lack of teams. Therefore we have 2 games left to add. We will try to back up a "range" swing with 2 games.
- 5) Discussion on dryland training. The shooting room should be completed soon and teams are encouraged to use them. The coaches of the Bantams and Peewee will report back to Huewe with their schedule of when they plan to hold dryland training so Neal can add it to the schedule. Peewees and Bantams should be 2-3 times per week. Corey is talking to 10U and 12U coaches to schedule at least the same with Neil.
- 6) Team reports: everything appears to be going good at all levels so far. Nothing to report.
- 7) The board would like a description of what our goalie coordinator will be doing throughout the season as they approved full dibs credit for the upcoming season. Rupp will talk to Chad and put together a schedule.

Meeting adjourned 7:30
