SAI Tournament Teams: Suburban Athletics traveling baseball and softball is offered for those players interested in competing at a higher level within their age group. Travel teams require a greater commitment in that each participant is expected to attend all practices, games, weekend tournaments and other team activities. Teams will typically have practices 1-2 times per week in addition to them playing on a league team 2 nights a week. The season will include 3-7 weekends over the course of the season. Try- outs are required for travel teams and there are no guarantees all players will make the travel team. There will be pitching limitations for travel players that are coming off of a tournament weekend (see league rules for these limitations). The travel players may not all play equally at the discretion of the head tournament coach and Director of Baseball or Softball. Based on the numbers of players on a tournament team, a “core / rotation” system may be used - please see website for more tournament team details. Tournament families are also expected to complete volunteer requirements for both league as well as additional volunteer requirement for tournament team participation.

Frequently asked questions:

1. What does my child need for the season?
 - Boys 7-12 will be provided a league shirt and baseball hat but will need grey baseball pants, socks, belt, batting helmet and glove. Cleats are helpful.
 - T-ball participants will be provided with a league shirt and baseball hat/visor. They will need a glove. Many wear baseball pants or shorts and can borrow a league bat if needed.
 - Girls softball 7-14 players will be provided with a league shirt and headband. Girls will need their own batting helmet, glove and, recommended for all girls, and required for playing pitcher, first and third, a defensive face mask. Cleats are helpful. Shorts or pants may be worn but be aware that sliding will be strictly enforced. Sports stores do sell sliding knee pads for leg protection. Defensive face masks are **highly** suggested for protection. It is mandatory at all ages to use while playing pitcher, first and third base.
2. What is the league protocol for inclement weather? Please watch the [Suburban Athletics FaceBook](#) page and the [Suburban Athletics](#) webpage for updates and cancellations as well as contacting your coach for specific team communication processes. The guidelines are listed on our home page for 2017 as well.
3. What will be my commitment as a parent to work in concession stands? All 9/10 and 11/12 league teams will be expected to cover shifts at the O’Hauser Park Concession when you play on Strohmeyer Field. Each team will be responsible to get parents to cover those shifts. Failure to provide parent volunteers on your scheduled day may result in forfeiture of the game.
4. My son plays baseball, my oldest daughter plays softball and my youngest plays T-Ball. I have received team and coach information for one but not the other two. Who should I contact? Please be patient. Teams are formed by league and you will be notified by a coach by April 1st for baseball and softball. T-ball has a later registration cut off date and coaches will contact players by the week of May 3rd. If you’ve not heard from a coach by the end of the day on April 1st for baseball/softball or the week of May 3rd for T-ball, please contact the appropriate league commissioner.
5. I have two players in two age groups and one on a traveling team, what are my volunteer obligations? Volunteer obligations are attached to the player. You will be asked to volunteer in some capacity for both children at the league level, as well as additional volunteer time attached to the tournament player. If your team is scheduled to play at O’Hauser on Strohmeyer field, you will also be asked to help cover concession stands during your players game -this is in addition to the general league volunteer obligation. We also ask that all players and their families help with spring clean up. Many hands make light work. Suburban Athletics is 100% volunteer driven and relies on the assistance of all of our families to help make our organization the best it can be.

**SUBURBAN ATHLETICS IS COMPLETELY
RUN BY VOLUNTEERS (including coaches and
board members) - ask how you can help!**
