

CALLING ALL GIRLS

REGISTRATION CLOSES – NOVEMBER 28TH

The 10th Annual North Atlantic Volleyball Showcase is now open to female high school Sophomores, Juniors, and Seniors, regardless of club or high school affiliation, if you are a freshman you must have completed one year of either varsity or club play. If you are a player who wants to play at the next level you should be here!

We have invited DI, DII, and DIII college coaches to observe you in both skills and competitive settings. They will receive the results of our on-site testing which will be used to assess you as a possible recruit. College coaches will also be supplied with your profile, stats and contact information. This Showcase is specifically designed to give you exposure so that coaches can assess and follow you through the upcoming club season. \$32.5 Million Dollars in Scholarship money has been awarded through this Program!
