**\*Note: No team scrimmages any other team twice. Also, I have met everyone's requests not to scrimmage other teams on their schedule. No team sits two in a row or plays more than three in a row. There are 6 teams that will need to rotate a second time in the last session before their last scrimmage. Only way it would work out. I spent a lot of time and this is the best schedule I could come up with. I know we will all have a great day of competition! Thanks for understanding!**
