WELCOME TO MINNETONKA HIGH SCHOOL HOCKEY

DEAR GUESTS OF THE MINNETONKA SCHOOL DISTRICT,

It is our pleasure to welcome you to the Minnetonka School District and to a game of one of America's great sports – Minnesota High School Hockey. While this activity and the rest of our interscholastic sports are for students' educational growth, we know there is a great interest in the Hockey games these students play. We welcome you as a guest of the Minnetonka School District and hope you enjoy the game.

We have a highly competitive team in Minnetonka year-after-year, and we value the outstanding competition of other excellent teams from throughout Minnesota to enable our student-athletes to develop skills and attitudes that will be important in their overall preparation for life. The values encouraged in this sport enable student-athletes to become Minnesota and America's leaders.

Minnetonka expects that our fans honor the goals of this program and act as hosts for visitors. We want all fans to enjoy the game and the excitement of competition, and we expect all fans to show exemplary sportsmanship and civility. Your respect for the players, coaches and officials is appreciated.

Thank you for your interest in this great program and your respectful support of your team. Please enjoy our hospitality and let us know if we fall short of your expectations.

Dr. Dennis Peterson, Superintendent

MINNETONKA HOCKEY FANS,

Welcome to Minnetonka High School! You are in store for an exciting evening of one of our strongest sporting traditions!

Students at Minnetonka High School excel in the 4As--Academic, Arts, Activities, and Athletics—while also developing a strong moral compass. The Minnetonka High School Hockey program and players are a strong example of living this out on a daily basis. The players practice year round to continually improve their skill. I am continually amazed and impressed with the commitment, dedication, pride, and character of the students at Minnetonka High School. Tonight you will see this in action on the ice. These games are a special time for the entire Tonka community to come together and celebrate our players and coaches.

I want to express my thanks to the parents and our Booster program for their strong support of our program. Your time, energy, and support of our students are invaluable in creating one of the finest hockey programs in the state and beyond. In addition, Minnetonka High School is fortunate to have an exceptional coaching staff committed to the growth and success of each player. The countless hours coaches spend, help create the positive attitude and excellence exhibited by our students.

Enjoy tonight's game and cheer on the Skippers! Minnetonka High School is built on a culture of respect. Remember to represent Minnetonka High School and the entire community well!

Jeffrey Erickson, Principal – Minnetonka High School

DEAR FANS

MINNETONKA HIGH SCHOOL HOCKEY

Thank you for your continued support of Minnetonka High School Hockey and our extraordinary student athletes. The Minnetonka School District, Minnetonka Youth Hockey Association, parents, alumni and sponsors have provided tremendous resources to operate a successful program. Let's honor our commitment to excellence and continue to build something truly special!

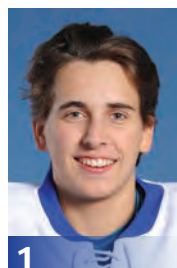

I am so appreciative for the opportunity to serve as the Head Coach and return home. On behalf of the entire coaching staff, we feel a sense of great privilege and pride working with our student athletes. It is our mission to provide them with a transformational experience, and we will work tirelessly to accomplish this goal.

Our coaching and mentoring is centered on creating a culture of selflessness, team commitment, and humility. We believe this allow our players to maximize their potential as student athletes and continue to grow into positive leaders in our community.

Thank you again for your support and let's PACK THE PAC! **Go Big Blue!**

MINNETONKA YOUTH HOCKEY ASSOCIATION

The 2017-18 hockey season is underway for Minnetonka Youth Hockey Association (MYHA) players. For more than 38 years MYHA has been a growing and successful youth program with registration now exceeding more than 1000 players!

MYHA has teams for boys and girls ages four years old through 12th grade and from first-time skaters through veteran youth players who go on to play beyond their high school years. Over the years MYHA has been proud to partner with Minnetonka High School Hockey in our effort to provide a quality coaching staff, hockey development program and overall great experience for all participants.

Highlights of the goals of the association are to encourage individual and team growth within the game, foster a lifelong love and passion for the sport and also stress the importance of academic excellence in the classroom. The commitment to the classroom includes Study with Skippers opportunities where JV and Varsity players are paired with youth teams for in-season study sessions. Additionally, our S.K.A.T.E. program annually honors over 80% of our traveling players who maintain a "B" average or better in school. We are certainly proud of all the MYHA and MHS graduates who continue to excel in academics and hockey at the college level.

We are also excited to have opened a new arena this year which was made entirely possible through our membership and community donations. We are proud to call the Pagel Activity Center home for the youth and high school teams and we welcome you to this great facility.

Good luck to the Boys High School team this year! Go Skippers!

Each month ICA provides food to over 800 households, and financially we support 50 families in need. Our clients live in Hopkins, Minnetonka, Deephaven, Excelsior, Greenwood, Shorewood, and Woodland. Some clients need help on an ongoing basis; others are short term, perhaps to manage job loss or illness.

*Do you not know? Have you not heard?
The Lord is the everlasting God, the Creator of the ends of the earth.
He will not grow tired or weary, and his understanding no one can fathom.*

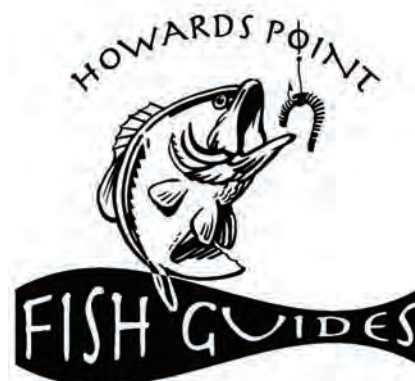

He gives strength to the weary and increases the power of the weak.

Even youths grow tired and weary, and young men stumble and fall;

*but those who hope in the Lord will renew their strength.
They will soar on wings like eagles; they will run and not grow weary,
they will walk and not be faint.*

DID YOU KNOW?

Last year Amazon donated \$61 to MYHA based on my Amazon purchases.

If you do the math (cocktail napkin style) in 20 years (when we need another sheet of ice) Amazon would have provided the down payment for FREE!

This is based on \$60 per year x an average (over 20 years) of 1,250 families.

I don't necessarily consider Amazon to be competitive to local businesses as it probably gets about 10% of my consumption and does not substantially compete with other MYHA Sponsors.

So, if one is going to purchase anything on Amazon, it makes no sense not to be a part of the Smile Program and donate to hockey. It's free money! Whatever the amount.

Here's the signup link: Smile.Amazon.Com

About Amazon Smile

AmazonSmile is a website operated by Amazon with the same products, prices, and shopping features as Amazon.com. The difference is that when you shop on AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price of eligible products to the charitable organization of your choice.
