Welcome to the 2017 Southeast HS Hoops Festival!

Dear Players, Coaches and Spectators:

On behalf of the Elite 75 Prep staff and the city of Charlotte, we would like to welcome each and every one of you to the 3rd Annual Southeast HS Hoops Festival at Zebulon B. Vance High School in the beautiful city of Charlotte, NC. We hope that your stay and experience here at the Southeast HS Hoops Festival will be a memorable one. The staff would like to congratulate each team and wish them the best of luck on a successful high school season and success throughout the event.

The aim of this early season showcase is to provide a fun and competitive environment focused on the exposure of high school boys' basketball players throughout the Southeast region. We are certain you will see an excitement and improvement in exposure to college coaches for your student athletes over the weekend.

The game format is a standard one game showcase style, allowing for teams to showcase their talents and skills in each game.

I hope that everyone will have time to visit some of the enjoyable sites in and around the greater Charlotte area while you are here.

Thank you for choosing to attend and participate in the 3rd Annual Southeast High School Hoops Festival and enjoy the event along with your weekend.

Sincerely,

SEHF Tournament Staff
