Why we need your help.....

Currently our fundraising efforts offset over \$350 per child in costs. If we do not fundraise, the cost of registration would need to be \$850.00 per child in order to break even.

We try to keep our fees as low as possible to keep hockey affordable but as ice and other fees increase, so do our fundraising needs.

This is what other associations charge for registration:

Essex- must buy jersey but no fundraisers included- **U8** \$660, **U10-U14** \$927

Middlebury- No fundraisers included- **U8** \$650, **U10** \$800, **U12** \$825, **U14** \$850

CSB- No fundraiser included- **8U** \$600, **10U- 14U** \$1090

SASA- with raffle tickets included **8U** \$510, **10U-18U** \$700
