

## BLAINE YOUTH BASKETBALL

### 2020 TOURNAMENT RULES (3<sup>rd</sup>-8<sup>TH</sup> GRADE)

Minnesota State High School League rules will be observed with the following notation/changes:

The home team is the first team listed on the pool or bracket schedule. The home team must supply the game ball, and official scorekeeper if needed.

Games will consist of two 14 minute halves with stop time. There will be a 2 minute break at half time. In the last 7 minutes of the game, running time will apply if the lead is 20 points or more. Stop time will resume if the lead is cut to 10 points or less.

Each team will have 3 timeouts per game during regulation time. For each overtime period, one timeout will be granted. No carry over into extra periods.

In case of a tie at the end of regulation, the first overtime period will be 2 minutes, stop time. The second overtime period, if necessary, will be sudden death. Overtimes will commence with a jump ball.

Bonus (one and one) free throws will be shot on the 7<sup>th</sup> foul per half. Double bonus is in effect on the 10<sup>th</sup> foul at which time 2 shots are awarded.

Any technical foul (bench or player) will result in an automatic 2 points and the ball for the opposing team. Any player or coach receiving two technical in a game will be ejected and required to leave the building. Violators are subject to ejection for the duration of the tournament.

The three point rule is in effect where the floor is appropriately marked.

Grades 3 and 4 will use a 27.5 size basketball. Grades 5 and 6 will use a 28.5 size basketball. Grades 7 and 8 will use a 29.5 size basketball.

Full court press for grades 3 and 4 only allowed during the last 2 minutes of each half.

Person to person defense in front court for grades 3-5.

All types of defenses will be allowed for grades 6-8.

No press in any grade if team is ahead by 20 points or more. A team leading by 20 or more that fails to fall back on the press will be given one warning by the officials for the 1<sup>st</sup> violation. The second and subsequent violations will result in a bench technical foul.

Teams should be at the game location at least 15 minutes before game time. A warm-up period of 5 minutes will be allowed before each game. Referees or site manager may shorten warm-up times to keep the tournament on schedule. Please check the brackets at each site for any changes in game time or location.

Each team is responsible to provide its own basketballs.

A team cannot start with less than 5 players. If enough players are not on the floor 5 minutes after the scheduled start time, the game is a forfeit. The score of a forfeit is 15-0.

The line-up must be entered on the official score sheet before game time. If an incorrect line-up is entered on the official score sheet, the bench will receive a technical foul.

Protests will not be honored. All disputes will be settled by the game referees and/or site manager/tournament director. If there is an issue of sportsmanship or an official, player, coach or team, please contact the tournament director. Sportsmanship concerns will be addressed appropriately.

Fighting is prohibited before, during or after the game. Players involved in a fight will be eliminated from the game they are in and all games remaining in the tournament. In addition, if any other member of their team gets into a subsequent fight, the team will forfeit their remaining games. Tournament fees will not be refunded.

## Pool Play Tie Breaker

In any situation where two teams are tied, head to head competition between the two teams shall determine the winner.

Three or more teams Tied

**Step 1:** If more than two teams are tied, a point differential tie breaker will be applied. Only the point differentials of the games between the teams involved in the tie are totaled. Teams are then ranked accordingly to the sum of the point differential and the team with the highest ranking is determined the pool play winner. Regardless of actual game scores, 15 points is the maximum plus or minus total that will be factored into the point differential calculation.

Once the pool play winner has been determined via the point differential, the tie between the two remaining teams shall be broken based on head to head competition.

**Step 2:** If more than two teams are still tied after the application of step one, the point differentials of the games from teams not involved in the tie are added and the results are recalculated.

**Step 3:** If more than two teams are still tied after the application of step two, a three way flip of the coin will break the tie, with the odd team being declared the pool winner. The tie between the two remaining teams will be broken based on the results of their head to head competition.

All forfeits are scored 15-0.
