## Information Bulletin

**Bulletin #:** I2017-053  
**Date:** Dec. 15, 2017  
**To:** District Administrators, Presidents, Technical Directors, ORA, Associate Members  
**CC:** Ontario Soccer Board of Directors, Staff  
**From:** Nicky Pearson, Manager, Match Official Development  
**Subject:** Update on Match Official Grading Protocol

The Match Official Grading Protocol was established in 2013 to ensure transparent, consistent and measurable criteria for grading Match Officials in Ontario.

Currently, 70 per cent of Ontario Match Officials sit in the Club pool. After consultation with Ontario Soccer stakeholders, it has become clear that these officials are not being provided with the optimum development environment and opportunities.

For many of these Club officials, there may be a lack of knowledge or understanding of the Ontario Soccer Grading Protocol, hesitancy on the part of the Club to release the official to the District pool or the District Association not identifying the next phase of officials that are ready to move into the District Pool. Ontario Soccer now sees these have become barriers to advancement are taking the steps to ensure the advancement of those match officials who are qualified and are seeking it.

The new Auto Grade will create growth in the District Pool, while still maintaining numbers in the Club Pool, as the new Grade 5 Match Official will still be connected to the Club.

This projected growth is part of the Long Term Officials Development (LTOD) plan, and will provide assignors more access to match officials for District competition. Eventually Regional and Provincial leagues will be utilized as they advance along the Development Pathways.

### 2018 Grading Protocol New Procedure

- The system will institute an Auto Advance for a Grade 4 to 5; and Grade 5 to 6 based on Age and Registration exam mark (as per existing Grading Protocol requirements).
- Grade 5 Match Official will now be visible to Clubs, District Associations and Ontario Soccer. The Club that the Match Official belongs to, will remain attached to their Refcentre account, and that Official can still be assigned by club.
- Grade 6 Match Officials will be visible to District Associations and Ontario Soccer.
